Meeting Notes

1. Welcome and Introduction
 - Peter Myers was introduced and welcomed to his first CLC meeting.
2. Approval of the Minutes of December 12th, 2018 - postponed to next meeting to give committee members an opportunity to review
3. Approval of the agenda

Moved by Susan and seconded by Gilbert. **Approved**

4. Committee membership

- The CLC requires additional members. Current CLC members suggested a few potential candidates from the community. CLC members were encouraged to have interested people contact Chrystal

5. Business arising from the minutes

None

6. Project Updates

- Meghan presented updates on the EA (Environmental Assessment) process. She included a high-level description of the project and the EA process. She briefly explained the CEAA (Canadian Environmental Assessment Agency), VC's (valued components) and residual effects.
- The CLC received an update from the Project Team summarizing the comments and issues that arose from the March 14th, 2019 Open House.
- Dustin presented the findings from Socio- Economic study completed by KPMG This information will form part of the EIS and was outlined at the open house.

7. Community Updates

- CLC posed question regarding road maintenance on the Mooseland Road. It was suggested that the road had been repaired recently (4 years ago) and wondered what effects Atlantic Gold trucks would have on it.
- A member asked if AGC had contacted the Association of Anglers and Hunters.
- The CLC generally believes that the perception of the proposed FMS mine is positive but lingering mistrust may be present due to the actions of previous mining projects. The attempts by Atlantic Gold to be transparent with the community through newsletter was noted and appreciated. The CLC suggested circulating copies of the newsletter by leaving copies at the gas stations and other public locations.
- **Action:** Add all CLC members to the e-bulletin distribution list.
- AGC updated the CLC on staffing at the new Sheet Harbour office.
- **CLC Recommendation:** That the community coordinator employment opportunity be advertised.

Moved by Dawn L. Howe Power and seconded by Susan Levy Myers **Approved**

- CLC members said traffic from the mine was a concern for community members

Atlantic Gold Project Updates

Jim gave an overview of on Touquoy, Beaver Dam and Cochrane Hill project.
