Meeting Notes

- 1) Review and approval of previous meeting minutes. (Moved by Richard Deale, seconded by Gilbert Fahie).
- 2) Introductions
- 3) Reclamation presentation provided by Stantec (Reid Smith).
 - a) CLC Question (Gilbert Fahie): The CLC inquired how long the site is monitored during reclamation. This is a question that has been raised by the community
 - b) St Barbara/Stantec Response (Andrew Taylor/Reid Smith): Monitoring takes place for approximately 20 years.

- 4) Operational update provided by St Barbara (Jennifer Adshade, Andrew Taylor, Melissa Nicholson)
 - a) CLC Request (Barry Prest): The CLC requests a copy of media releases from St Barbara when responding to media issues. This assists the CLC when responding to questions in the community.
 - i) **Action Item St Barbara:** Provide the CLC with media releases
- 5) Beaver Dam and Fifteen Mile Stream update provided by St Barbara (Barb Bryden)
- 6) Review of outstanding action items
 - a) Outstanding action items were discussed, and action table below includes updates.
- 7) New Business
 - a) The attendees discussed the timeline for approval and posting of meeting summaries.
 - i) This item will be tabled and discussed at the next meeting with quorum (for voting purposes)
 - b) Communications and signage
 - i) The Department of Transportation & Infrastructure Renewal speed signs were discussed.
- 8) Date and location of next meeting:
 - a) November 13 or 20, 2021. The date will be circulated to all CLC members for comment
 - b) Location: To be determined
 - c) Gilbert Fahie moved to adjourn, seconded Barry Prest.

Action Items

| | Action | Owner | Status |
|----|---|------------------|---|
| 1. | St Barbara (SB) to follow up with HRM regarding the energizing of the streetlights | SB (SAF/DO) | Streetlights at the haul crossing are functional. The streetlights at the entrance to the Administration road are not energized. SB to follow up. |
| 2. | SB to schedule a meeting to discuss the response to the Deputy Minister's letter regarding refurbishment of the Scraggy Lake dam. This meeting was previously scheduled for December 5, 2020 and was postponed due to COVID-19 concerns at the time. The meeting is optional for CLC members. SB will provide support SB to arrange for an independent specialist in inland waterways and fish habitats to attend this meeting | SB (JA/MN) & CLC | SB reached out in August to rebook. An extra meeting is tentatively booked for September 28, 2021 on site. A technical expert in fish habitat will attend. SB to confirm date with all CLC members. Invite new MLAs to the Scraggy Lake dam to have a look. (CLC to reach out to MLA's – To be discussed at the meeting on September 28, 2021) . |
| 3. | SB to develop a plain language summary document providing information on the Touquoy Tailings Management Facility | SB (BR/BB) | SB to develop a plain language summary document and submit to the CLC. |
| 4. | The CLC suggested compiling the feedback received from smaller group meetings and circulating the summary of the meeting notes for follow-up with the community | SB (SAF) | This information is captured in SB's Environmental Impact Statement. SB to move this forward. |
| 5. | The CLC should be informed when issues appear in media/social media | SB (SAF/DO) | SB Communications team to discuss. |
| 6. | Change to Terms of Reference to incorporate approval timeline for meeting summaries (must be approved by quorum of CLC). | CLC | To be included in new business for vote at next meeting. |
| 7. | The Detour sign entering the Moose River Gold Mine area is incorrect. Engage with the DTIR (now the Department of Public Works) as it is incorrect and creates confusion. | SB (BR/DO) | SB to investigate. |
| 8. | Mitchell Glawson requests to join the CLC. | CLC | To be included in new business for vote at next meeting. |
